## Adopt a Window

The Cloister is a covered walkway on the south side of the nave of Worcester Cathedral. Originally the windows would have been unglazed, but it was decided in 1916 to install a series of windows depicting historical figures and events. There are 28 windows in total installed between 1916 and 1999 with a variety of characters and events of Cathedral history shown.

### How you can help

The Adopt a Window programme gives you the opportunity to adopt your favourite character from our stained glass windows; Dickens or Chaucer? Alice Ottley or Lady Godiva? King John or Henry VIII?

**From £25** you can adopt a small decorative panel

**From £50** you can adopt a small character window

**From £100** you can adopt a large character window

**From £200** you can adopt our most popular figures *including*:

### In addition

In addition, if you would like to adopt our two special windows, a donation of £500 will secure it for two years.

### Millennium Window

Door to the Garth – Bishop Philip Goodrich (£250 per door or £500 for the pair).

## Adopt a Spandrel

A spandrel is the rough triangular shape that exists between a rectangle and curved structure within that area.

At the Cathedral these spandrels have been carved to show flora, fauna, mystical beings and figurative stories.

### How you can help

**From £25** you can adopt a corner carving

**From £50** you can adopt a floral carving

**From £100** you can adopt an angel carving or small figure carving

**From £200** you can adopt a figurative carving

## Adopt a Misericord

Misericords are the carved brackets on the underside of the seats in the Quire which allowed the monks some rest during services. Our misericords mostly date from 1379 although some are more modern or have been repaired recently.

The carving scenes are common across Europe. However, Worcester has a set of the cycle of the labours of the months which is the first almost completed cycle still existing. August is shown, for example, as three men reaping their wheat.

### How you can help

**From £25** you can adopt a small armrest or top carving

**From £50** you can adopt a larger armrest carving

**From £100** you can adopt a carved side panel in the Quire

**From £500** you can adopt a misericord
