

PRESS RELEASE

Subject: Rave reviews of 'Starstruck' Costume Exhibition
Venue: Worcester Cathedral, Nave
Date: Friday 21st August

In the first week of opening, crowds of visitors have attended the 'Starstruck' Costume Exhibition at Worcester Cathedral, exceeding expectations.

Cathedral Event organiser Debbie Liggins said, "We have had so much great feedback from the public visiting the exhibition. We are absolutely delighted with the response. Many visitors have asked whether we are planning to tour the exhibition and whether the music is available on CD. At this point we have no plans to tour. This is an exhibition unique to Worcester Cathedral, so visitors should come and see it now – or they will miss out!"
